2019 Leadership Symposium

Transformational Leadership: Inspiration, Motivation and Mobilization

May 13 – 15, 2019 – Valhalla Inn, Thunder Bay ON

Call for Proposals

Deadline for submissions: **Thursday, December 6th 2018**

Please submit forms electronically to OMSSA at education@omssa.com

The 2019 Leadership Symposium will bring together service managers, provincial staff and community organizations from across Ontario.

The *2019 Leadership Symposium: Transformational Leadership: Inspiration, Motivation and Mobilization* will provide delegates with the opportunity to learn how transformational leadership can be an effective tool to change culture; inspire others to commit to organizational change; and how to effectively mobilize change throughout the organization.

This two day event endeavors to equip delegates with the information, tools, resources and introduce best practices that will assist in leading and championing transformational leadership in human services.

We are seeking proposals for plenary and breakout sessions from OMSSA members, their community partners, provincial and federal government and other human service organizations in Ontario, across Canada and internationally that speak to the theme of Transformational Leadership.

Submit your engaging proposal; excite conference delegates with details of your organization's programs, initiatives or ground-breaking ideas. Showcase your innovative community partnerships, creative use of funds, space, people and other resources to champion change and best serve those in your community.

Sessions should be designed to be interactive, provide ample time for dialogue, audience questions and the exchange of ideas. Supplemental materials can be sent to OMSSA before the Leadership Symposium and distributed to conference delegates for review in advance of sessions.
