

PURPOSE OF SUMMIT

1. To establish guiding principles and processes for mobilizing Ontario's Service System Managers with a cohesive vision and unified voice.
2. To identify key elements of a children's services framework that will inform a unified perspective to the Ministry of Education.
3. To identify key / immediate policy priorities in children's services for 2019.

SUMMIT PARTICIPANTS

To facilitate a focused and strategic discussion, OMSSA has limited attendance to two representatives per Service Manager area. Members were asked to designate the appropriate representatives, which in most cases will be the most senior children's services and human services leads from each organization.

Summit participants largely include senior directors and senior managers of children's and early years services, as well as human and social services leads, with 86 representatives from 46 CMSMs and DSSABs across Ontario.
